

Security Council Reporting and mandate cycles

Review date: 1 February 2018

This document provides a comprehensive overview of reporting and mandate cycles of United Nations Security Council decisions, including resolutions, presidential statements, exchanges of letters and notes by the President.

The document has been prepared by the Security Council Secretariat Branch for use by Security Council members engaged in the drafting process of decisions, in which specific deadlines have been set and/or are to be established, renewed or reviewed. The enclosed tables have been developed, with a view to assisting the Security Council in balancing its work load in the future. The items listed herein are those of which the Security Council is currently seized and have a specific deadline or task assigned.

The enclosed tables will be updated accordingly as soon as a new decision is adopted by the Security Council.
